Outstanding Security Guard Election

Worksheet (Answers)

Name: _____ Class: _____ () Date: _____

Fill in the Blanks

Joyce was tasked to gather information for the "Outstanding Security Guard Election". Please help her complete the following table.

Candidates	Observations			Vote for him / her? (put a ✓ or a ✗)
 Gina	 <p>Gina was not attentive at work. She did not stop the stranger from <u>distributing promotional flyers.</u></p>	 <p>In order to get votes, Gina <u>gave kids some candies and bragged that she received "The Best Service Award" before.</u></p>	 <p>When the residents asked Gina to check the lift, she <u>refused and just kept playing with her phone.</u></p>	✗
 Richard	 <p>Richard was a responsible security guard. Noting that the smoke door was left open, he <u>closed it properly.</u></p>	 <p>To keep the environment clean, he <u>picked up some empty bottles abandoned in the corner.</u></p>	 <p>When Richard found that an old lady was trapped in the lift, he <u>hurried to the 9th floor and helped her.</u></p>	✓

Slogan Design

Gina resorted to lies, brags and candy treats for kids in order to get votes. All these were against the principle of "Clean Election". Please design a slogan (in less than 20 words) to encourage your neighbours to uphold a clean and fair election.

(example)

A Cleaner Election,

A Better Community.

Please invite your parents to show support to clean and fair election by putting a "tick" in the space provided.
