誠信係社會重要嘅普世價值

每個人都要靠自己雙手努力尋覓

世間上有太多狡猾聲音可怕嘅事係身邊

只要堅持自己信念一路勇往直前

Integrity is an important universal value in the society

Everyone has to make efforts to pursue it

There are cunning voices and sly tricks around

We have to carry strong convictions to move on

享受真正意義所帶來美麗故事

結果是其次你又睇唔睇得見

保持誠信係心裡面知唔知咁係做人嘅基本尊嚴

Cherish all brightness and beauty under true beliefs

Did you see that results did not matter

Keeping integrity at heart is the dignity of being a human

*Some people are fighting for their integrity*

*But corruption is everywhere in the reality*

*Don't be scared easily Don't be scared easily*

*Try to keep your faith before it is late*

*Some people are fighting for their integrity*

*But corruption is everywhere in the reality*

*Don't be scared easily Don't be scared easily*

*Try to keep your faith before it is late*

*Passing down the tradition to the next generation*

*Don't just say it. Make it into an action*

*Homie Can you hear me*

*Passing down the tradition to the next generation*

*Don't just say it. Make it into an action*

*Homie Can you hear me*

*Don't be hatin! Now, go to live in the world that we can make.*

*Don't be hatin! Now, go to live in the world that we can make.*

承諾 對別人許下嘅承諾

你有無真係做過 定或者只係得過且過

賞識你嘅人 慢慢逐個開始失去信任

每一次嘅期望 卻只帶來不斷嘅失望

All the promises you have once made

Are they meant to keep or to break

People are gradually losing trust in you

Every expectation ends as a desperation

無咁大個頭就唔好戴咁大頂帽  
自己做唔到就唔好一味係到嘈  
請你好好反省 對自己好好檢討  
反省過後 再次重新上路

**(副歌)**

世界在變 變亂到多可怖  
誠實錯判變被告 並未太糟  
世界在變 變亂到不知所措  
窮上這輩力氣 心力不老

Do not let your words speak louder than actions  
Nor complain whenever you fail  
Why not have a good self reflection  
And move on with a brand new start

**(Chorus)**

It's horrible the world changing and turning chaotic  
We lament that honesty being turned up side down  
The world is blemished and stained  
Let's fight against the evil and strive hard for the right  
cause
